

Friday 8 February 2019

## **COLPAI Project Weekly Work Update – W/C Monday 11 February 2019**

### Monday 11 February - Friday 15 February

- Moving of rubble spoil around the site
- Asbestos monitoring
- Air quality monitoring
- Commencement of the breaking of ground floor slabs on Friday 15 February.

### Saturday 16 February – Sunday 17 February

- No works due.

### Notable points

- The breaking of ground floor slabs will not be carried out during the consented quiet times
- Asbestos removal works are being carried out in-line with Health and Safety Executive guidance and regulations
- An environmental air analyst will be present to monitor the site during works.

### Deliveries

- UKPS delivery.

### UKPS Works

*UKPS is a statutory body so ISG has no control of the exact date they will arrive.*

- UKPS is installing switchgear on a half-day operation which will involve parking on Basterfield Road.

### **Working Hours**

Monday to Friday 08:00 to 18:00

Saturday 9:00 to 14:00

### Consented quiet times

Monday to Friday 10:00 to 12:00 and 14:00 to 16:00

*Noise, dust and vibration monitoring is in place.*
