COLPAI Project Weekly Work Update – W/C Monday 18 February 2019

Dear Neighbour

Please see below activities relating to the COLPAI Project, which are due to take place from Monday 18 February.

Monday 18 February - Friday 22 February

Works will include:

- The breaking of ground floor slabs
- Moving of rubble spoil around the site and stockpiling spoil into heaps
- Asbestos monitoring and removal
- Demolition material being removed from site
- Air quality monitoring.

Saturday 23 February - Sunday 24 February

- No works due.

Notable Points

- The breaking of ground floor slabs will not be carried out during the consented quiet times
- Asbestos removal works are being carried out in-line with Health and Safety Executive guidance and regulations
- An environmental air analyst will be present to monitor the site during works.

Deliveries

- UKPS delivery of substation materials
- Muck-away lorries.

Non-ISG Works

- Road sweeper in place to clean the Golden Lane following the muck-away lorries leaving the site
- UKPS substation installation.
