COLPAI Project Weekly Work Update – W/C Monday 10 June 2019

Dear Neighbour

Please see below activities relating to the COLPAI Project, which are due to take place from Monday 10 June 2019.

Monday 10 June- Friday 14 June

Works will include:

- Excavation for the site cabin foundations
- Reducing ground for pile mat
- Excavators filling the muck away lorries
- Asbestos watching brief
- Air quality monitoring
- Environmental monitoring.

Saturday 15 June – Sunday 16 June

- No works.

Notable Points

- Asbestos removal works are being carried out in-line with guidance from the Health and Safety Executive
- An environmental air analyst will be present to monitor the site during works.

CCTV on site

- For additional security, ISG has installed a CCTV monitoring system. The site is monitored 24 hours a day, seven days a week. This system is only active within the site boundary and cannot be directed outside the boundary lines.

Deliveries

- Muck-away lorries

Non-ISG Works

- Road sweeper in place to clean Golden Lane following the muck-away lorries leaving the site
- UKPN/UKPS works on Golden Lane footpath from Thursday 6 June to Friday 14 June
- For The Denzien - Tuesday 11 June, after 7pm, collection of a large canti-deck access platform. The platform will be loaded onto the lorry in preparation for transport during standard working hours.

Working Hours

Monday to Friday 08:00 to 18:00

Saturday 9:00 to 14:00

Consented Reduced Impact Hours

During reduced impact hours, works will still take place on-site. However, works will not involve percussive machinery or other similar construction involving heavy machinery.

Monday to Friday 10:00 to 12:00 and 14:00 to 16:00

Noise, dust and vibration monitoring is in place.
